Your 2013-2014 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents and submit the form and other required documents to the financial aid office. We may ask for additional information. If you have questions about verification, contact us in financial aid as soon as possible so that your aid will not be delayed.

B. Receipt of SNAP Benefits

☐ The student certifies that a member of the student’s household received benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as the Food Stamp Program) sometime during 2011 or 2012. SNAP may be known by another name in some states. For assistance in determining the name used in a state, please call 1-800-4FED-AID (1-800-433-3243).

The student’s household includes:

- The student.
- The student’s spouse, if the student is married.
- The student’s or spouse’s children if the student or spouse will provide more than half of their support from July 1, 2013, through June 30, 2014, even if the children do not live with the student.
- Other people if they now live with the student and the student or spouse provides more than half of their support and will continue to provide more than half of their support through June 30, 2014.

Note: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2011 or 2012.
C. Child Support Paid

Please indicate if the student or spouse, who is a member of the student’s household, paid child support in 2012. List below the names of the persons who paid the child support, the names of the persons to whom the child support was paid, the names of the children for whom the child support was paid and the total annual amount of child support that was paid in 2012 for each child.

If more space is needed, provide a separate page that includes the student’s name and ID number at the top.

Note: If we have reason to believe that the information regarding child support paid is not accurate, we may require additional documentation, such as:

- A copy of the separation agreement or divorce decree that shows the amount of child support to be provided;
- A statement from the individual receiving the child support certifying the amount of child support received; or
- Copies of the child support payment checks or money order receipts.
D. High School Completion Status:

Provide one of the following documents that indicate the student’s high school completion status when the student will begin college in 2013-2014:

- A copy of the student’s high school diploma.
- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.
- A copy of the student’s General Educational Development (GED) certificate or GED transcript.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.
- If state law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If state law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.

If the student is unable to obtain the documentation listed above, he or she must contact the financial aid office.
