

UNIVERSITY OF PIKEVILLE

KENTUCKY COLLEGE OF OPTOMETRY

University of Pikeville Kentucky College of Optometry
presents its
2024 Expanded Therapeutic Procedures Certification Course
on October 17 – October 20, 2024
at the Kentucky College of Optometry in Pikeville, KY

The Kentucky College of Optometry will offer a 32 hour expanded therapeutic procedures certification course at the University of Pikeville, 810 Hambley Blvd in Pikeville, KY. The CE will begin on October 17 at 12:30 PM and end October 20 at 1 PM. The course will include the required content and hours for Kentucky licensure. Individual CE hours are available for license maintenance and will count towards ETP/TPA hours. Meals will be provided during the program.
