

# Cost of Attendance

## Tuition and Other Costs

As a private institution of higher education, UPIKE does not receive a fixed amount of state or federal funding. Student tuition covers approximately one-third of the educational cost. Therefore, to support its academic programs, UPIKE solicits and accepts funding from foundations, corporations, endowments, alumni, parents and friends. Additionally, UPIKE administers an extensive federal, state and institutional financial aid program to continue providing students with excellent instruction and a pleasant living condition at a modest expense.

## Cost of Attendance (COA)

These fees are subject to annual revision. All students, including those with financial limitations, are urged to seek financial assistance early from the Office of Financial Aid.

Tuition is just one part of the cost to attend college. There are other costs a student may incur to come to school. This is called the Cost of Attendance. These other costs may be on-campus living expenses, off-campus rent, transportation back and forth to school/home, supplies, and other miscellaneous expenses.

**Direct Costs** – These are charges that are assessed by the University directly such as tuition, on-campus living expenses, graduation fee. There are NO book costs to students.

**Indirect Costs** – These are all the other costs mentioned above but are not charged by the University directly.

Below are estimated 2024-2025 academic year COA attendance budgets for students by the academic program.

### UNDERGRADUATE COA

Undergraduate Full-Time students	+
RN-BSN	+
Nursing	+
Social Work	+
Education	+

**COST OF ATTENDANCE:**

2024-25	On Campus	Off Campus/Indp.	W/Parent

## TUITION REFUND POLICY

A request for a tuition fee refund requires written notification to David Faletta, the assistant Dean of Student Affairs, KYCOM or Joshua Justice, the assistant Dean of Student Affairs, KYCO . This request must be received before the close of business during the week in which the refund is requested. A request for a tuition fee refund requires prior written notification of withdrawal from KYCOM/KYCO. The tuition fee refund shall be prorated as follows:

- 100 percent during the first week of an academic semester
- 75 percent during the second week of an academic semester
- 50 percent during the third week of an academic semester
- 25 percent during the fourth week of an academic semester
- 0 percent after the fourth week of an academic semester

No course, clerkship or rotation will be credited toward promotion, graduation or subsequent credit if a student has not paid the required tuition and fees, including any additional tuition incurred by repeating any portion of the regular program. UPIKE's Board of Trustees reserves the right to change the schedule of tuition and fees, without advance notice, and to make such changes applicable to present as well as future students of KYCOM/KYCO, and to establish additional fees or charges for special services whenever, in their opinion, such actions are deemed advisable.

All inquiries concerning the above policies and all requests for refunds should be directed to the Assistant Dean(s) of Student Affairs.

## KYCOM

### TUITION FOR THE 2024-2025 ACADEMIC YEAR

*KYCOM tuition for the 2024-2025 academic year is \$55,380.00.* All KYCOM students must have medical insurance and submit proof of that to the University. Insurance Cost is \$4,400.00 per year. You will see the charge split for the medical insurance on your UPIKE account between the Fall semester and Spring semesters, but you can have the charge removed by demonstrating that you have insurance in place. The cost of attending a four-year doctor of osteopathic medicine program varies from school to school. At KYCOM, the cost of attending is inclusive of many benefits not provided at other institutions, including:

### KYCOM STUDENT ADVANTAGE PROGRAM

The vision of KYCOM's founding dean was that our students enter on a level playing field, where those who are admitted with few financial resources have the same educational opportunities as those with greater resources. In order to achieve this goal, KYCOM provides all students with the following:

- OPP table
- White coat and scrub suit
- Diagnostic equipment (stethoscope, ophthalmoscope, etc.)
- Use of an iPad with Apple Care and all required textbooks
- Membership dues paid to the Student Osteopathic Medical Association (SOMA)
- Fees paid for the National Board of Osteopathic Medical Examiners COMLEX-USA Level 1 and Level 2-CE board exams (for first attempts only)
- COMLEX-USA Level 1 examination preparation program

## Cost of Attendance – Kentucky College of Osteopathic Medicine

**Off Campus** ▶

**On Campus** ▶

*\*Misc fee used to include an amount for personal health insurance. Health insurance is now an institutional charge so MISC cost has been reduced by actual cost*

*\*\*KYCOM pays for 1st attempt at COMPLEX level 1 and level 2. If students require multiple attempts at COMPLEX 1 or 2, they may request an increase in their COA for a total of three attempts as long as the cost of the exam is prior to the student leaving school.*

This standard student budget is a conservative estimate of the cost to attend KYCOM and maintain a modest, but adequate, standard of living.

*Note: Disbursements are usually processed within two weeks of the term starting. Please budget your personal and household costs in accordance with these payment dates.*

## KYCO

### TUITION FOR THE 2024-2025 ACADEMIC YEAR

KYCO tuition for the 2024-2025 academic year is \$47,650. All KYCO students must have medical insurance and submit proof of that to the University. Insurance Cost is \$4,382 per year. You will see the charge split for the medical insurance on your UPIKE account between the Fall semester and Spring semesters, but you can have the charge removed by demonstrating that you have insurance in place. The cost of attending a four-year doctor of optometry program varies from school to school.

### STUDENT ADVANTAGE PROGRAM

The University of Pikeville-Kentucky College of Optometry Student Advantage program allows all our students to enter on a level playing field where those with limited financial resources have the same educational opportunities as those with greater resources. At no additional cost, entering students are provided the following – a value of approximately \$15,000

- All required ophthalmic and medical equipment
- An iPad & Apple Care
- All required texts
- Membership dues paid to the American Optometric Student Association (AOSA) and the Kentucky Optometric Student Association (KOSA)
- NBEO preparation program
- Verified Credentials-Maintenance of health records and immunizations

## Cost of Attendance – Kentucky College of Optometry

### Off Campus

### On Campus

\*Misc fee used to include an amount for personal health insurance. Health insurance is now an institutional charge so MISC cost has been reduced by actual cost

\*\*KYCO will reimburse students for NBEO level 1 if they pass on their first attempt. Level 1 reimbursement will happen during your 4<sup>th</sup> year. this is based on when the results of exams are received.

If students require multiple attempts at NBEO level 1, 2, 3 or Injection Skill Exam, they may request an increase in their COA for a total of three attempts as long as the cost of the exam is prior to the student leaving school.

This standard student budget is a conservative estimate of the cost to attend KYCO and maintain a modest, but adequate, standard of living.

Note: Disbursements are usually processed within two weeks of the term starting. Please budget your personal and household costs in accordance with these payment dates.

*\*\*KYCO will reimburse students for NBEO level 1 if they pass on their first attempt. Level 1 reimbursement will happen during your 4<sup>th</sup> year. this is based on when the results of exams are received.*

*If students require multiple attempts at NBEO level 1, 2, 3 or Injection Skill Exam, they may request an increase in their COA for a total of three attempts as long as the cost of the exam is prior to the student leaving school.*

This standard student budget is a conservative estimate of the cost to attend KYCO and maintain a modest, but adequate, standard of living.

*Note: Disbursements are usually processed within two weeks of the term starting. Please budget your personal and household costs in accordance with these payment dates.*
